Hi Anthony,

Have we looked into the cost of utilizing Adobe or another service in lieu of Docusign for admission packages for resident signatures? My understanding is that the Docusign envelopes are quite costly per envelope so we were exploring other options, but I don't know that we fully vetted pricing in order to know whether to stick with Docusign or not. Can you please let me know status on this and your thoughts on next steps of whether to just renew with Docusign?

Thanks!

Momo

Sorry, I also forgot to add that I can reach out to DocuSign to get an updated quote!

Hi Momo!

Happy Friday, I hope all is well.

I received this renewal notice from DocuSign, it looks like our current subscription ends on 3/31. I'm not sure if we are going to continue our subscription with them or if there is someone else I should ask? I know I spoke with Anthony some time ago regarding Adobe Sign, but we never circled back with each other.

Please let me know your thoughts.

Have a great weekend! :)
Aliya

North American Client Services Team,
Thank you for your continued partnership. It's been a great year of ensuring your agreements are sent and signed with the speed and trust your business requires. That means:

- **84% of signers** are more likely to continue doing business with a company that uses Docusign.
- **$10 per document saved** by reducing hard costs (paper, printing, shipping).
- **82% faster** contract turnaround time.

To continue our partnership, we'd like to inform you that your subscription is set to expire on **March 31, 2026**. Please renew by **March 24, 2026** to ensure uninterrupted access to your account.

The good news? We've made renewing easier: As a Docusign administrator, you can now quickly renew and manage your subscription online. Here's what is available for you in our self-serve portal:

- **Renew your subscription:** Use the link below to complete the renewal steps by **March 24, 2026**. Once your renewal is complete, you'll receive your next invoice via email on or after **March 31, 2026**.
- **Adjust product quantities and update billing details:** These changes are available until **March 24, 2026**. You can also manage them in our self-serve portal during your renewal.
- **Set up Auto-Renewal:** Opt in to auto-renewal for seamless service and lock in your next renewal rate.

Hey Momo,

When I was reviewing our software inventory previously, I noticed we were maintaining both DocuSign and Adobe Sign, which appeared to overlap. That prompted me to look into it further, and Aliya was helpful in outlining some of the admissions workflow differences at the time.

Given the March 1 deadline, I'll move forward with a structured comparison so we can determine the best path forward and avoid unnecessary redundancy.

Before I finalize the review, **are there stakeholders beyond Admissions who rely on DocuSign so I can factor their needs into the evaluation?**

I'll begin pulling usage and cost data now. **Do you know where the current DocuSign agreement is stored?**

Thanks!

Hi Anthony,

Great, thank you for helping assess this overlap! I'm not sure if there are other purposes for utilizing DocuSign at the facility level outside of the Admissions Department. I'll ask the RDOs to inquire with their facilities. We use DocuSign in the Legal Department to sign Board Meeting Minutes. I don't know about the other NACS Departments though. Stay tuned and thanks for your help on this!

Hi Anthony,

The most recent DocuSign contract is attached. I'll let you know what I hear back from the RDOs on DocuSign use outside of Admissions.

Thanks!

Hi Anthony,

I heard back from the RDOs on the DocuSign use for each of the buildings in their respective regions. Please see below.

- Valencia Gardens, Lincoln Square, Beacon, Terrace View and Courtyard- DocuSign is used by Admissions and the Administrator
- Villa- DocuSign is used in Admissions and Medical Records (for physician signatures)
- Apple Valley, Linda Mar, Rocky Point, Woodcrest, Fireside and Brentwood- use DocuSign in just Admissions

Please let me know if you need anything else from my end on this or have any questions.

Thanks!

Momo
